

Dear Parents,

Welcome!!!

We are so excited to be back and in person. We have so many amazing projects and programs on the Religious School Calendar this year. Our concentration will still be the Famous Five of Torah, Shabbat, Holidays, Israel, and Values, with more family-oriented programs than ever before.

The Religious School leaders have observed our parents and our children since coming back in person for the second semester and are aware of the family connections that have developed during the Pandemic. We feel that it is especially important to include the family unit in Jewish Education to bring your knowledge back into the home.

Get ready for a wonderful year full of fun and interesting programs for both the students, parents, and the entire family unit!

We are changing the registration process a little bit this year. If you can send in your registration along with payment in full prior to June 30, 2021, you can take a 10% early bird discount off the top. There is also a 10% discount for each sibling. After June 30, 2021, there is still a 10% discount for each sibling, however, the early bird discount will not be available. The final day for registration is August 15th, 2021. After August 15, 2021, there will be a late fee of \$25.00.

We understand that the Pandemic has affected everyone financially. We have not raised the rates and we will never turn anyone away due to financial issues. Please contact Noreen Tolman in the administrative office for those sensitive discussions.

Don't forget to send back the following:

- Signed Registration form
- Tuition form
- Payment in full or Credit Card information for scheduled payment dates provided.

Thank you so much and I look forward to speaking with you soon.
