August 15, 2021

Dear Friend,

Welcome to the upcoming sixteenth season of the Treasure Coast Jewish Film Festival series. This past year has been very challenging for all of us. We are indebted to our film distributors for making the films available to us virtually, to our Rabbis' for continuing the Sunday discussions via Zoom, but more than anything to you, our audience, who stayed with us through this terrible year.

Plans have now been finalized for the 2021-2022 season, and a flyer describing the films, dates and venues is enclosed. As a thank you to all of you, we have added a film to be shown in October, at no additional charge, and a flyer for that film is also enclosed. **PLEASE NOTE THAT THERE ARE TWO DATE CHANGES IN FEBRUARY AND MARCH FROM THE SECOND SUNDAY TO THE FIRST SUNDAY OF THE MONTH.** Due to unknown Covid updates from the CDC, at this time we expect that the October and November films will continue to be virtual. We will continue to reevaluate the CDC recommendations through the fall.

We are sending this notice to you in advance of the general announcement, hoping that you will consider becoming a patron for the 2021-2022 series. Patron ticket prices will remain at \$30.00 per person, or \$60.00 per couple and Patrons will be acknowledged in the program. Series tickets will remain at 25.00 per person, or \$50.00 per couple. Individual ticket prices will remain at \$6.00 per person payable either on line, or at the door once we can safely reopen. Checks for either patrons or the series should be made payable to TCJFF and mailed to Joan Weissman-Burton, 248 NW Liseron Way, Port St. Lucie, Florida 34986.

Please visit our website: www.tcjff.com where you can view trailers of the upcoming films, along with general information regarding the film festival. We planned to have a celebration luncheon for our 15th anniversary which, of course, had to be cancelled. So, for our "Sweet 16", we are anticipating a celebration luncheon in April, for which information will be forthcoming at a later date.

Sincerely,
Vivian Berkman
Chairperson, For the Committee
